CUNARD INSIGHTS LECTURES

BRUCE LINDSAY

At 11.00am: 'The Life and Assassination of Marilyn Monroe'. Aged just 36 and at the height of her success she died. Her death was recorded as "probable suicide" but 2 hours before she was found dead, she was visited by Robert Kennedy and a "doctor". A tale involving JFK, the Mafia, the FBI, Frank Sinatra et al. Make your own conclusions!

KIM SHARMAN

At 12.15pm: 'Sailors in the Trenches' This is the extraordinary story of the Royal Naval Division in World War 1. Formed of sailors who fought as infantrymen at Gallipoli and the Western Front, this was a unique military formation that had to fight 2 enemies – the Germans and the British Army High Command! Now almost completely forgotten, this is a story that should be told as the Centenary of the Great War approaches.
