

Shipboard Information

Extra Mile

Our Customer Service Programme 'CRUISE' ensures the highest quality of service from the Ship's Company. If you feel that any one of Oriana's staff has gone the 'extra mile' or has exceeded your expectations, please complete the white 'Outstanding Performance Award' card in your cabin and pop it in the box at Reception (Deck 6) Atrium.

Lost Property

If you think you have misplaced an item whilst on board please check at the Reception Desk as it may have been handed in. If you have picked up belongings left behind inadvertently by another person, we ask you to return these to the Reception Desk. Some items may not appear to have a great monetary value, however there may be great sentimental value attached to them.

On Board Account Queries

If you have any queries with your on board account please let the Reception team know as these must be corrected prior to receiving your final statement on December 4 after which time they will be referred shoreside.

On Board Spending Money

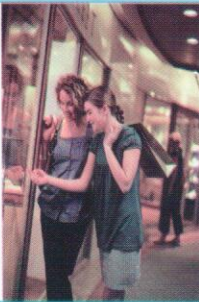

If you have on board spending money this can be used during your cruise in most of the ship's outlets. On board spending money cannot be used for the following: Medical charges (including services, prescriptions and supplies), cash back, purchase of foreign currency, International visas, charity donations, on board gaming (including the Casino) and as full or part payment against a future cruise. All on board spending money is non-refundable. If you have purchased or have received a gift credit then please be advised that the same limits as above apply. All gift credits are non-refundable.
